

COVID-19 Update on JDRF Operations

31st March 2020

The James and Diana Ramsay Foundation (JDRF) recognise the threat that COVID-19 poses for us all across the globe. The JDRF are continuing to work with our grant partners to understand their challenges at this time. Any current grant recipient who is concerned about how COVID-19 affects their agreement or partnership with the Foundation should contact Kiah or Kerry at their earliest convenience via email. Any new enquiries can also be directed to kiah@idrfoundation.com.au, however please be mindful that our priority will be to assist our current partners over the next few months. Stay healthy.
